

Dear Parents/ Carers,

We bring you amazing news! Your child is now on Accelerated Reader (AR) This means that they have an excellent knowledge of phonics and after completing an online Star Reader test are ready for a book matched to the next stage of their reading journey.

How does it work from the child's point of view....

I successfully completed all the phonics decodable books and am ready for Accelerated Reader. I will first of all, sit a Star Reader test. Star Reading is an online reading test used to measure my reading ability. The test uses multiple-choice questions and takes around 20 minutes. The test is an indicator of my reading age. The test will also give me a ZPD.

Zone of Proximal Development tells me the book levels I can choose from (See picture below) My teacher will start me off at the beginning of the ' just right' level.

I can now choose a book to read at home. The books at school are organised like this

Accelerated Reader levels	
●	level 0 to 0.9
●	level 1 to 1.9
●	level 2 to 2.9
●	level 3 to 3.9
●	level 4 to 4.9
●	level 5 to 5.9
●	level 6 to 6.9

etc

When I have read my book I can take a quiz on it!

For every three books that I read I must quiz on two of them at school and can do one at home. I will know if I have passed straight away as my score will come up. 60% is a pass that's 3/5 questions or 6/10. I can take quizzes as soon as I have read all my book. So, I could change my book multiple times in one week! I just need to tell me teacher " I'm ready for my quiz."

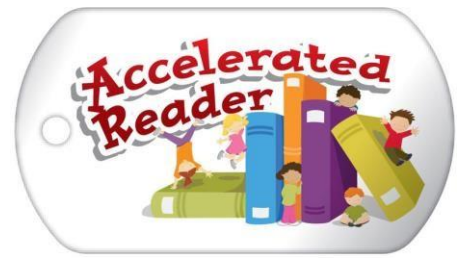

How can my family help me to become a better reader?

Please make time for me to read at home.

Reading for at least 20 minutes every day will improve my reading ability.

Reading frequently will make reading a more enjoyable experience!

Encourage me to read, discuss books, ask questions about what I have read, and take me to the local library!

There is further information on our school website under 'love for reading' but come and see us if you have any further queries.

Please continue to write in your children's Reading Records as your comments are valuable to us and the children. For the older children we want your parents to continue to write comments in your Reading Records, but you can too!

Thank you for your support,

Miss Kaur
